Most of us feel excited and happy during the first weeks back at school, seeing people we know and meeting new friends too. However the beginning of a new year can also be stressful. Some of us may feel overwhelmed and anxious about school or other issues. Sometimes tough experiences happen to people over the summer such as the loss of a friend or family member. We care about **all** our students at CHS and want you to know that one of our counselors, Mrs. Lyons, will be available in room 806 on **Wednesdays** during first and second lunch to talk and provide support. You don't need an appointment – just stop by!
